PHI OMEGA BETA FRATERNITY

Welcome . . .

19th ANNUAL STUNT NITE

Stunt Nite has been sponsored annually at Stout by the Phi Omega Beta (F.O.B.) Fraternity since 1947. As most things, it started out very small but it has grown to be one of the most important events on campus.

Stunt Nite is made up of skits and in-between act entertainment. Each organization on campus works hard and plans far ahead to present a skit for Stunt Nite. The F.O.B. Fraternity, as producer, provides the M.C.'s, the in-between acts, the stage crew, and the various other personnel needed to bring you this annual highlight.

A first and second place prize is given in the most humorous category, and in the most beautiful category. The winners of each category receive a trophy for their organization.

In addition to these trophies, the best individual performer of the show is also awarded a trophy.

An individual trophy is given for the best individual performance in the Stunt Nite show.

PURPOSE OF STUNT NITE

Stunt Nite, always a highlight of the school year, serves a dual purpose.

The primary purpose of Stunt Nite is to raise funds for the Donald Keller Memorial Scholarship fund. This fund was started on March 25, 1964 in memory of Don Keller, a 1960 graduate of Stout and a Phi Omega Beta alumnus. Keller was accidently killed in a hunting accident in Alaska during the Winter of 1963 and a contribution was made by his wife and family to Stout. This contribution along with yearly contributions from the F.O.B.'s has continued this scholarship fund.

Secondly, Stunt Nite provides wholesome entertainment for the students and faculty of Stout State University and the community.

Naturally, along with Stunt Nite comes work and expense. Necessary funds come from those who attend Stunt Nite. Expenditures, which are many include; the Donald Keller Memorial Scholarship fund, trophies, advertisement, programs, and refreshments served at Milk Bar.

The F.O.B. Fraternity wishes to thank each of you who have attended Stunt Nite, and hopes that Stunt Nite will provide fond memories of your days at Stout State University.

SIGMA SIGMA SIGMA

First established as Philomathen local sorority in 1912, Beta Pi Chapter of Sigma Sigma Sigma was installed as a national sorority at Stout in 1952. This was the first local and national sorority on campus.

The Tri Sigmas with their new navy blazers and skirts with white blouses can be seen participating in many events on campus. Early in the fall each year, the Tri Sigmas sponsor a tea for new faculty members. Later in the fall they co-sponsor the Sweetheart dance in cooperation with the Phi Sigma Epsilon fraternity and present "Lover," a plush stuffed dog, to a lucky ticket holder. Upon the arrival of Halloween, the Tri's hold an annual Halloween tea. Both semesters they sell tailor's hams for sewing; and with the approach of the holiday season, they present baskets of food and clothing to needy families.

DELTA ZETA

Delta Zeta, the largest national sorority, was founded October 24, 1902 at Miami University, Oxford, Ohio. The Zeta Beta Chapter was installed April 13, 1957 on Stout's campus. The purpose of the organization is to unite its members in bonds of sincere and lasting friendship, to stimulate one another in the pursuit of knowledge, to promote the moral and social culture of its members, and to develop plans for guidance and unity of action.

Delta Zeta Sorority sponsors their annual fall mixer, Homecoming Alumni Breakfast, Heidelberg Tea, Dinner Dance, and climax the year with a Senior Farewell. They are also active in many other activities on campus. Delta Zetas can be recognized on campus by their Roman lamp badges and green suits.

KAPPA LAMBDA BETA

The youngest of the social fraternities at Stout, Kappa Lambda Beta obtained official recognition on February 16, 1965.

This group, formerly known as FUBAR's can be seen actively backing Stout teams at all major athletic events, and offering encouragement to the teams through its colorful banner. The "little green man" has been seen participating in all school activities gaining recognition in intramural athletics and with entries in Homecoming and Winter Carnival.

SIGMA TAU GAMMA

The oldest national fraternity on campus is the Alpha Kappa Chapter of Sigma Tau Gamma. It is the first fraternity to own and operate its own house.

The pledges of Sigma Tau Gamma are recognized by blue and white helmets, swords and shields. The Sig Tau's sponsor the Rose Dance, Hoot-Nanie, Bratwurst Fry, and sell popcorn and candy apples at football games.

In the 1920's an F.O.B. was a student moving in secrecy, desiring recognition. He met in a vacant barn, a deserted house, and eventually a girls dormitory, where in 1927 he was finally recognized as part of Stout. He is the oldest yet the most active social organization on Stout's campus.

An F.O.B., in solemn and serious moments, is a dashing figure with a monogrammed black shirt and white tie. On other occasions he is colorfully carefree in his coonskin coat, black bow-tie, and black derby.

An F.O.B. is innocence with uncontrollable energy. He is intelligence with a desire to learn everything about everything. He is adventurous and carefree; cautious and dedicated.

An F.O.B. may be found decorating a wholesomely humorous float for the Homecoming parade; serving cider, as a saloon-keeper with a handlebar mustache, at Duffy's Tavern; working busily on a snow carving for winter carnival; standing handsomely greeting faculty and students at Milk Bar; and anxiously preparing for Stunt Nite.

These are the many facets about an F.O.B. He represents generosity and cooperation. Above all he is a dedicated student of Stout State University.

SIGMA PI

Sigma Pi National Fraternity, Delta Sigma Chapter, is very active on Stout's campus, starting with the selling of hot coffee at home football games right through the Dinner Dance at the end of the school year. Other activities include all school dances, Christmas baskets to the needy, and participating in all school functions. The Sig Pi's present an award to the highest ranking senior man each year. There isn't much on Stout's campus that the Sig Pi's haven't gotten into.

ALPHA PHI

Alpha Phi, International Fraternity was founded at Syracuse University in 1872. Among its firsts is included the calling of the first inter-sorority conference in 1902 which later became national Panhellenic Congress. The Advisors are Dr. Marshall, and Mrs. Veins.

In addition to participation in all campus activities, Alpha Phi sponsors the Thanksgiving Tea, the Sno-Ball, the Senior Tea for Women, and the Natonal Philantrophy of Cardiac Aid.

CALLAHAN - TAINTER - JETER

Callahan-Tainter-Jeter Halls, one of the most visited buildings on campus, was completed in 1956 and provides housing for approximately 400 freshman girls.

Along with Eichelberger and Chasten, Callahan-Tainter-Jeter, is active in many campus events. One of the larger events sponsored by the hall is the annual Halloween Dance—this year held in the Union Ballroom and open to the entire student body for the first time. Other activities include the Christmas Tea and Open house, an after-game mixer, and the Big and Little Sister Tea.

ALPHA SIGMA ALPHA

Alpha Sigma Alpha was founded at Longwood College in Farmville, Virginia, November 15, 1901. ASA has the distinction of being the first national sorority founded in the twentieth century. Beta Phi Chapter at Stout was granted its charter in 1953. Mrs. Rudiger serves as ASA's advisor.

In addition to participation in many phases of campus life, each year to help members and other coeds, they proclaim Sadie Hawkins Week. So the fellows of Stoutpatch take life easy while the girls ask for dates. A Dogpatch dance complete with marriage booth—so the gals can get hitched to the man of their choice—highlights the week. Although Alpha Sigs feel at home in their Dogpatch outfits, they are otherwise distinguished by their white blazers displaying the sorority crest in red.

CHI LAMBDA

The Chi Lambda Fraternity entered the spotlight of official recognition May 8, 1955.

The year's work begins early in September with the sponsoring of an annual street dance. At homecoming time members are busy planning and erecting a float for the parade and entertaining the alumni members with a breakfast held in their honor.

At the same time these activities are taking place, plans are being made for the annual Mardi Gras ball which is held early each spring. The dance follows the traditional theme with decorations creating the characteristic air—the New Orleans festivities. Crowning the Mardi Gras princess is the high point of the evenings festivities.

PHI SIGMA EPSILON

In October of 1929, Phi Sigma Epsilon of Stout was born under the name of Kappa Phi Sigma. In 1951 the name was changed to Phi Sigma Epsilon and became national.

Their objectives are to encourage culture, to foster college spirit, to perpetuate friendship, and to promote ties within its membership and provide college homes for active members.

Each year Phi Sigma Epsilon sponsors "Talent Nite" an annual affair consisting of Stout's talented students. They are also co-sponsors of the first formal dance — The Sweetheart Dance, and are recognized at all football games by their newly constructed cannon.

Acknowledgements

We wish to thank the organizations for the time and effort put forth by them to bring you these skits and to thank our advisors, Mr. Gray and Mr. Daines, for their guidance and counsel.
